

# Do you have defensible space?

The Oregon Department of Forestry, with funding providing by Clackamas county, is providing FREE assistance to help homeowners better protect their home from a wildfire.

- ◆ To qualify you must be located in a forested area within Clackamas county and in the wildland urban interface.
- ◆ A Coffee Creek Correction crew will be doing the work with the assistance of ODF personnel on site.
- ◆ The crew will be removing ladder fuels, providing fuel breaks, thinning, pruning, and removing vegetation away from the first 200 feet of the home. (Zones 1 & 2)
- ◆ All of the material will be chipped on site.

To learn more or to see if you qualify, contact Levi Hopkins with the Oregon Department of Forestry
